Description

Magnificent 19th century historic villa nestled in the elegant setting of the Winter Town on the heights of Arcachon and adjoining the prestigious Mauresque Park. Nestled in the heart of 1800m² landscaped parkland, this extraordinary residence has been meticulously renovated to offer contemporary comfort while preserving the characteristic opulence of historical homes, adorned with beautifully restored period details. Spread over four levels, totaling around 375 m², the ground floor of about 120 m² houses sumptuous reception areas, including a majestic vestibule, a spacious living/dining room, and an independent kitchen. The villa boasts a total of 8 bedrooms and 6 bathrooms, making it a truly exceptional residence, both due to its privileged location and its preserved authenticity. Price 3 990 000€ including agency fees. For the full file, please contact us. All of our properties are listed on IMMOBA
