Description

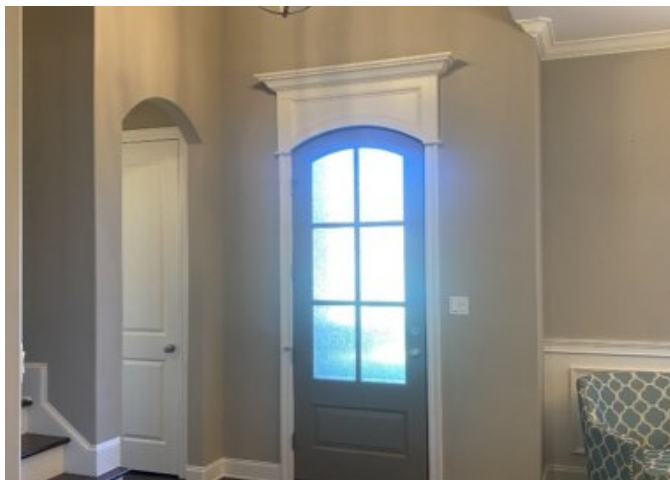

This stunning 5-bedroom, 3.5-bathroom home boasts an array of custom features and thoughtful design elements that will capture your heart. As you step inside, you'll be greeted by an inviting formal dining room that seamlessly opens into the spacious living room. The large living room features a gas log fireplace and beautiful coffered ceilings, wainscoting on the walls and plantation shutters on all windows, making it the perfect spot to relax and unwind. The kitchen, thoughtfully designed with an open concept, flows effortlessly into the living area, featuring a large island with leather granite and a microwave drawer and a breakfast bar. Love to cook? There is plenty of countertop space, a gas cooktop and double convection ovens. Plenty of beautiful white cabinets and a pantry. Also, an eat in kitchen. The master ensuite is a true retreat, adorned with wood beams in the bedroom, a custom-tiled shower, jacuzzi tub and a generously sized walk-in closet. An additional mini ensuite on the first floor provides versatility, ideal for in-law quarters or guests. Need a dedicated workspace? You'll find a well-appointed office space conveniently located on the first floor. A mud bench near the two-car garage entrance keeps things organized, and the third car garage has its own entrance into the house. Engineered hardwood floors grace the first floor, while the hardwood staircase leads to the second floor, where you'll discover an open loft area, three carpeted bedrooms, and an additional bathroom. The large, decked attic offers ample storage space for your belongings. Step outside to a screened-in back porch, where you can enjoy the outdoors in comfort. The wood privacy fence in the backyard ensures security and seclusion. There are 3 different HVAC units for zone control. A sprinkler system and professional landscaping add to the curb appeal of this must-see property.
