## Description

Former Jasmin farm from the 1920s which has been expanded and developed over the decades to today become this incredible residence. Made up of several outbuildings, the property totals more than 1000m<sup>2</sup> on almost 1 hectare of land with a beautiful view of the hills all the way down to the sea. In the center, sits its elegant mansion with 7 bedrooms on 3 levels including its master suite of approximately 130m<sup>2</sup> connected by a private elevator from the ground floor where there is a double living room, dining room and large family kitchen. The original farmhouse has been completely renovated. On two levels, it includes a caretaker's accommodation and upstairs a very beautiful 2-bedroom apartment. 3 independent studios are discreetly incorporated around the property. The park with its Mediterranean essences benefits from a recently renovated 13mX6m heated swimming pool and a superb summer house including an equipped kitchen, living room, dining room, bar area and bbq with its summer dining room. The property has a garage for 3 cars and plenty of parking.
